Trailer Winter Storage starts October 1st and ends April 30th. Shored boat contract has specific dates.

Published prices are base rates. Additional charges may apply according to the make, model, layout, engine access, parts, and severity of the work performed. Additional charges for movement of personal gear and dead batteries.

Contractors not on the approved contractor list are not permitted on premises without prior written consent. Contractors must provide insurance certificate naming River Bend Marina as an additional insured prior to entering the property. Do not give your gate access code to any contractor. A code will be issued once contractor provides insurance. All contractors will be charged \$40 per day access fee.
